Developing New Local Resources Incubating New Ideas

Mobilizing Collaborations for Common Goals

Advocating for Change

## The Community Initiatives

Programs, Partnerships and Collaborations to improve the quality of life  
in Northwest Pasadena and Altadena

**Apprenticeship Preparation Program** — Flintridge coordinates a coalition of grassroots organizations, unions, city agencies and a community college assisting former gang-affiliated and at-risk young adults to gain entry into the construction trades.

**Community Services** — Flintridge provides educational programs and resources designed to strengthen the management and fundraising skills of grassroots organizations serving children, youth and families.

**Mustangs Mentoring Program** — Flintridge oversees a partnership of community organizations matching high-risk students from John Muir High School and Washington Middle School with adult mentors.

**Mustangs on the Move** — Flintridge manages a community partnership offering more than 20 after-school tutoring and enrichment activities at John Muir High School.

**Northwest ECHO** — Flintridge furnishes customized training and capacity building to a collaboration of 23 grassroots organizations serving at-risk youth.

**20/20 Vision** — Flintridge provides coordination for an initiative launched by Councilwoman Jacque Robinson to address youth issues, community safety and violence prevention.
